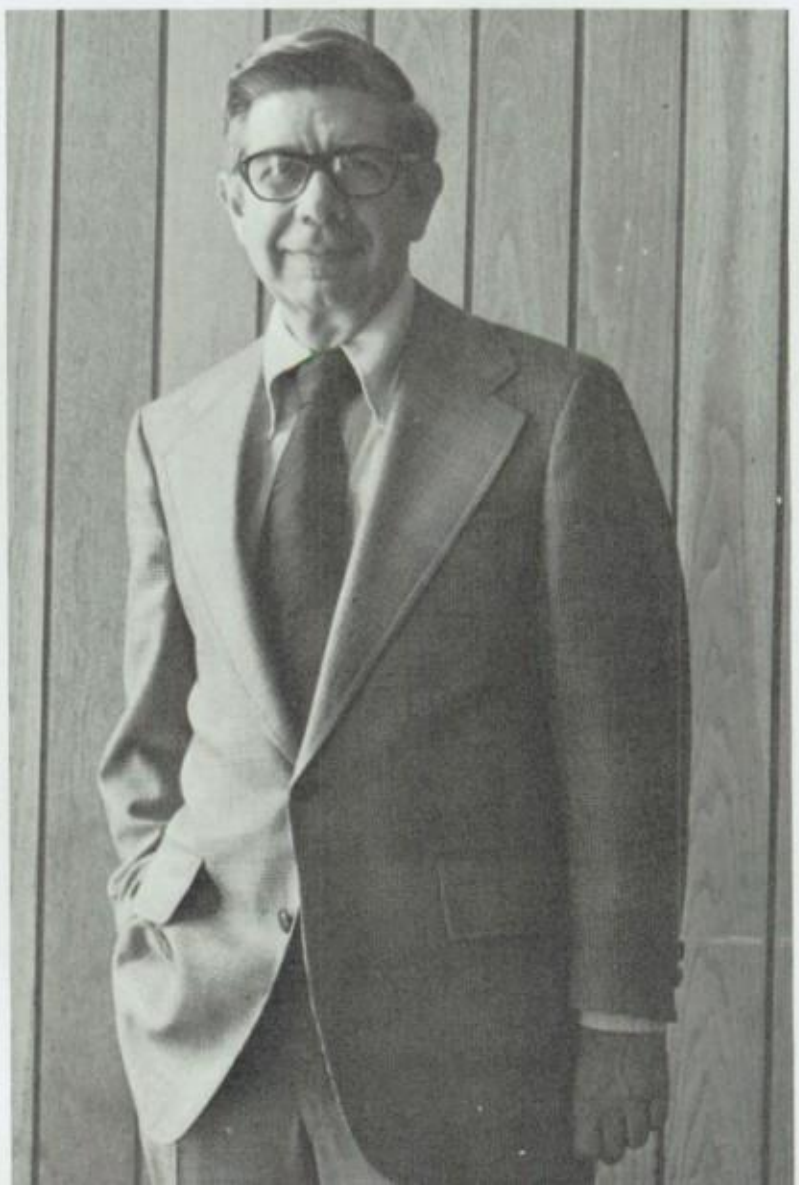
SUPERINTENDENT OF SCHOOLS
DR. CARL F. CONSTEIN

After serving the Wilson School District for twenty-two years, Dr. Carl F. Constein left at the end of the 1973-74 school term. He first came to Wilson in 1947 as an English teacher, and eventually became head of the English Department. In addition to being a teacher, Dr. Constein also served the school as advisor to the SPECTATOR and as the tennis coach.

Dr. Constein became the Curriculum coordinator for the school district in 1957. He left Wilson in 1961, but returned in 1966 as the Superintendent of Schools, in which capacity he served for two four-year terms.

As Superintendent, Dr. Constein realized many goals. One of these goals was the design of the new 1560-pupil Elementary and Junior High School complex at Cornwall Terrace to be opened for the 1974-75 school year. Most importantly, he helped to lower the school district's deficit by using state funds.

Dr. Constein travelled to Russia in the spring of 1970. He visited Russian schools and toured Moscow, Leningrad, Erdvan, and Kiev in an effort to broaden his understanding of European educational systems, and to gain insight on how they may be utilized in America.



ADMINISTRATION GETS IT ALL TOGETHER

It is up to the adminstration to plan, approve, and coordinate activities for the school according to certain state guidelines. Because it is difficult to please everyone, our administrators have a difficult task to accomplish and yet, despite all the hazards they encounter, they are able to keep the school operating as smoothly as can be expected.

SCHOOL BOARD AND AUTHORITY

The jocularity expressed under the last two captions hides the true seriousness of the work of the Board and Authority. It takes sincere, dedicated people to put in the number of hours, without financial reciprocation, that are needed to make these organizations a success and in turn make the school a success.

PRINCIPALS

Mr. Charles E. Davies Jr.

Mr. Herbert Schoenly

The principals at Wilson Senior High perform a vast number of tasks, the most common being supervising school activities and disciplining both students and teachers.

Have you seen these faces in the post office lately?

"YOU'VE GOT A FRIEND"

Mr. Paul Sommers

Mrs. Alma Adams

A friend indeed, Wilson's guidance counselors are always ready to help a student plan the right road for his or her future. For the school term of 73-74, the senior class was guided by Mrs. Faye Swalm, juniors guided by Mr. Paul Sommers, sophomores by Mr. Forrest Fleishood, and the freshman class by Mrs. Alma Adams.

"TAKE A LETTER, MARIA"

The secretaries at Wilson perform a vast number of tasks not commonly associated with offfice work. The private secretaries to Dr. Constein, Mr. Houston and Mr. Rehrer aid these men in their administrative duties. The payroll secretaries attend to teachers' and other employees' salaries. The secretaries in the East and West Wing Offices not only help teachers and administrators, but they also assist students with scheduling problems and appointments with faculty members.

What does a monkey have to do with math?

Mathematics, the foundation of many professions today, is one of the most comprehensive subjects at Wilson. Ranging from General Math for the general curriculum student to Accounting and Bookkeeping for the business student to trigonometry and calculus for the college bound, Wilson's math program provides a mathematical challenge for all students. Starting in the school term of 74-75, the math department under the supervision of Mr. Ray Richie, will be introducting a new computer programming course. This course, along with others, will give the college bound math major a widely diversified background in the mathematics field.

English, the basis of communication, is one of the few courses required by Pennsylvania for high school graduation. Wilson's English program has many varied forms. In ninth and tenth grades, the traditional English class set-up is utilized. Juniors and Seniors have the option of choosing between the traditional course of quarter courses, which consists of four different topics taught throughout the year. Also, Seniors have the alternative of taking Honors English if they qualify or Independent Study in Literature.

Mr. Roy Snyder, department head

For the second consecutive year, Wilson's physical education department has had quarter courses which have been quite successful. The objective of this new plan is to give the student a chance to pick courses in which he will be interested and therefore more successful.

LOVE MY MUSIC

Due to increasing enrollment at Wilson, the Music department has had to adapt by expanding their program. The band and chorus, who have recently moved into their new wing, have had repeated success in their competitions. The chorus went to Canada in May and the band performed in Myrtle Beach, South Carolina in June. General Music is a required course in ninth grade and an elective of guitar was introduced by Mr. Paul Lechner this year.

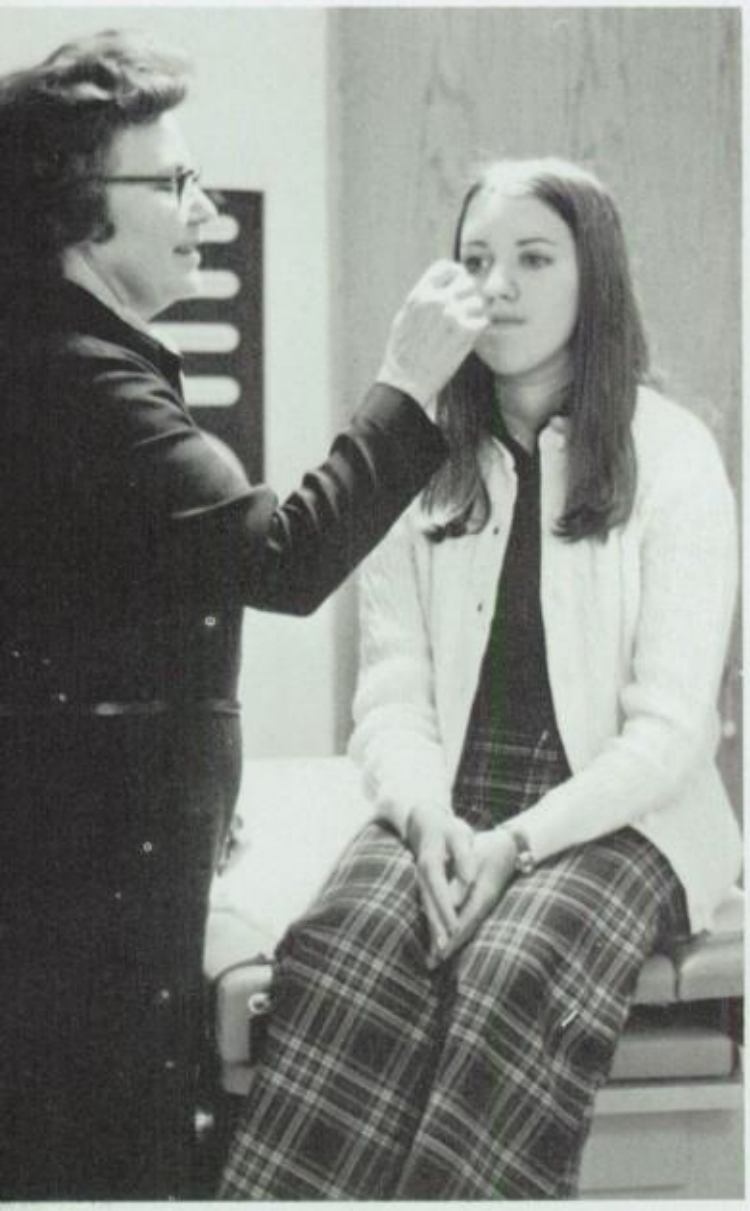
An essential member of the Wilson faculty is Mrs. Frances Reiff, the school nurse. Students can always count on Mrs. Reiff's assistance if they become ill or injured in school.



Mrs. Frances Reiff believes "Just a spoonful of sugar helps the medicine go down".

The library enables students to enrich their knowledge through the use of books, magazines, and audio-visual equipment. Headed by Miss Catherine Sheidy, the library is open before school, during classes, and after school to give students every possibility to use the facilities.

Driver Education, which is a state required course, becomes a part of a sophomore's life at Wilson. It consists of classroom instruction, taught by Mr. Richard Mohler, and behind-the-wheel instruction, taught by Mr. Mohler, Mr. Rutecky, and Mr. Moyer, who was later replaced by Mr. Schaefer. Special Education classes, conducted by Mr. Peter Riffle, provide students who have learning difficulties with the opportunity to progress at their own pace.

After a series of ladderlike playoffs was held, the Baseball Bullies and Colony Park faced off for the championship. With the score tied 5-5 a sudden death period decided the tournament winner when Glenn Troxell flipped the ball past Colony Park's Greg Jones. CLUBS

As more and more swimming activities are taken on by Wilson High the pool, located at Central Junior High, becomes busier and busier. Naturally, Mr. Roy Snyder, the swimming coach and teacher, can't possible handle everything himself; so, he depends upon assistance from the Acquatic Leaders Club pictured in the upper left corner. The members of the club give up studies, after-school hours, and evening hours in order to help others learn how to swim. The members participate in all phases of swimming from the beginners classes to diving classes. Their help aids more people to participate in a sport which does not recognize a handicap.

Just as the Acquatic Leaders helps swimmers, the Weightlifting Club helps young men to stay in shape in between football, wrestling, and track season. The boys meet on an average of three times a week to see if they can master the universal gym.

Much to the amazement of a startled public, John Gurski's "Cinderella Team" placed second in the Tri-County Conference. A strong moral fiber and tough coaching helped to gain an advantage over the supposedly better teams such as O.J. Roberts, Coatesville, and Allentown Central. Without a doubt, Wilson's team could hardly have been better. Going into the games with a small offense, the squad compensated for it with speed and accuracy. Unfagginly they pushed on, determined to "even" beat Muhlenberg. Those few points which determined the Tri-County Championship will gnaw and pain, but "the men" are determined to better next time. The Seniors on the team were D. Hile, T. Walsh, F. Kress, S. Frasso, C. Schwartz, D. Rick, D. Dragan, M. Coleman, C. Blankenbiller, D. Haughney, S. Schonour, T. Dmochowski, D. Tothero, F. Wenrich.

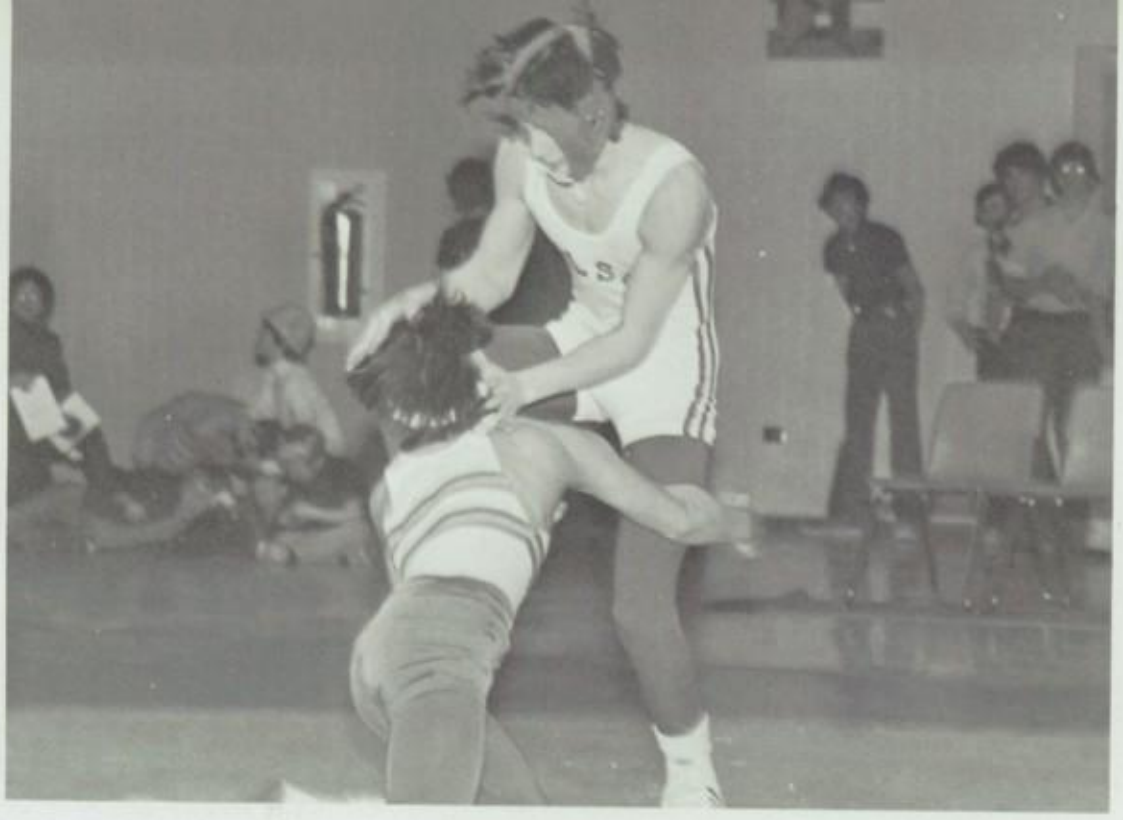
COUNTY CHAMPS

The '73-'74 Wilson Grapplers provided the home crowd with all the thrills and excitement they could hope for by winning the County Championship. This Championship Squad not only showed their superiority over highly-favored Reading, but also handed Gov. Mifflin their first league defeat in ten years. The season was climaxed when the team defeated Muhlenberg and realized that they had won their first county championship. The success of the season could be attributed to the excellent coaching of William Moyer and Dallas Zeiber and the hard working grapplers. The team is expected to perform just as well next year since there are only three graduating seniors, Ned O'Rouke, Tom Walsh, and John Conrow. Congratulations on your fine performance this year!



Nothing will get Ned down.

The bowling team, under the coaching of Mr. Norman Hopp, finished the season with a commendable 30½ to 20½ record. This placed Wilson fourth in their league. Although there were considerable changes in the varsity team throughout the year, the final team consisted of four seniors, Alex Scheifer, Tim Cobb, Mike Kern and Todd Long and one junior, Eric Ludwig. Ray Peffley maintained the high average through most of the season before he was injured in an auto accident. Other senior letter winners were Dave Crist, Mike Coleman and Rocky Long. The highlight of the season was Tim Cobb's 287 against Reading High which set a new Berks County Scholastic Bowling League record. Alex Scheifer was named the outstanding bowler on this years' varsity team.

The 1974 Girl's Bowling Team had another successful season finishing in the number two spot for the second consecutive year in the Berks County League. This year's team had among its bowlers two seniors; Bonnie Freeman and Cheryl Matheson. These girls along with the rest of the team produced a 37-10 record. The highest average was held by Cheryl Matheson with a 175.7.

Upending Muhlenberg for first place and the 1974 Berks Track Championship was similar to trying to upend the Dolphins for the NFL crown. With individual stars such as Tim Ebbert in the high jump, Chuck Blankenbiller in the shot and javelin, and Gary Snyder, Jay Wilkinson, and Scott Frasso in the sprints and total team committment in the relays, Coaches Bill Firing and Grant Mahon managed to bring the championship home to Wilson.

It takes imagination to be a track star.

Cathy DaDamio sets the pace.

With Kazume Baker this far ahead, Mrs. Chase can chalk up some more points.

Losing an All-County shot putter and discus thrower is enough to make a coach lose her hair; however, Mrs. Chase refused to give up. Taking what she had, Mrs. Chase regrouped the girls into a fine team that produced a dual meet record of 7-2. With many girls, including sprinter, Karen Bachman, returning next year, hopes for an 9-0 year run rampant. The Seniors who will not be returning are C. Sensening, C. Angstadt, C. Scheetz, S. Dolinsky, E. O'Connor, S. Lenart, C. Hoppman, K. Moyer, H. Ennis, L. Yoder, F. LaFata, and L. Varishone.

Most Valuable Player, Jim Springer.

Coach Voguit

Led by seniors Greg Nyles and Jim Springer, Wilson captured the Western Division Championship of the Berks County Golf League, by beating rival Mifflin in a playoff. Their final record was 11-1, losing only to Gov. Mifflin. The team sent only one golfer, Jim Springer, to Districts. He placed third which was good enough to qualify for States where he placed tenth. The team was coached by Steve Voguit.

The Class of '76 only endeavored to raise money by two means this year. Every day after school the class sold candy in the East Wing lobby for the students in that area. The class also sponsored a dance during the Easter vacation.

CLASS OF '76

A typical Junior activity—prom decorating.

The Junior Class as always is involved with the prom and getting ready for the class trip to New York. The highlights of the class trip were visiting the Statue of Liberty, United Nations, Lincoln Center, Rockettes, and the movie "Mame", and seeing New York at night from the top of the N.B.C. building. They raised the money for the trip by selling Rex Cleaner and Reinhart cards. The Junior class also had a basketball game (Bandheads vs. Football Studs and Senior High vs. Junior High Faculty).

I'm sure!

Carlos, Wilson's Exch. Student

Carlos P. Gorospe, the exchange student from the Phillipines, came to Wilson High as a senior in September 1973, to experience the "American Way of Life." At his high school in the Phillipines he participated in various activities such as basketball, track, ping-pong, and tennis.

As a student at Wilson, he was a member of the chorus and the rotary exchange program. When asked his opinion of Wilson, Carlos replied, "I'll never forget Wilson High because it's a great high school."

Although Carlos managed to escape our photographer many times, he couldn't escape him when Carlos participated in the chorus concert. In the picture below Carlos is the third from the left in the top row. The Class of '74 wishes him continued success while he is furthering his education in the States.

COMMENCEMENT

Do you think they'll look as happy on June 3, 1984?

Class President, Mike Coleman, and Superintendent of Schools, Dr. Carl F. Constein, prepare to hand out the diplomas.

Betsey delivers her speech to the class.

This is only a small representation of the 349 graduates.
